SCIENCE

IS ON

YOUR

SIDE,

SOLDIER

USE IT

The *Army*
has the best
treatment
you can get
anywhere.

If
you do get careless
and become infected

report
to your
Medical
Officer

i m m e d i a t e l y

JUST TAKES ONCE

UNIVERSITY OF CALIFORNIA

V.D.

This man thought it
wouldn't matter...just
that once.

*It is an
invisible*

GERM

*you have to
fight,*

*every
time*

of the ointment
penis and the parts

*your ARMY Pro Station
can give you the same
protection*

3 rub the rest
all over your
around it

— OR
Remember

2

squeeze
one-fourth of
the ointment
from the tube
into your penis

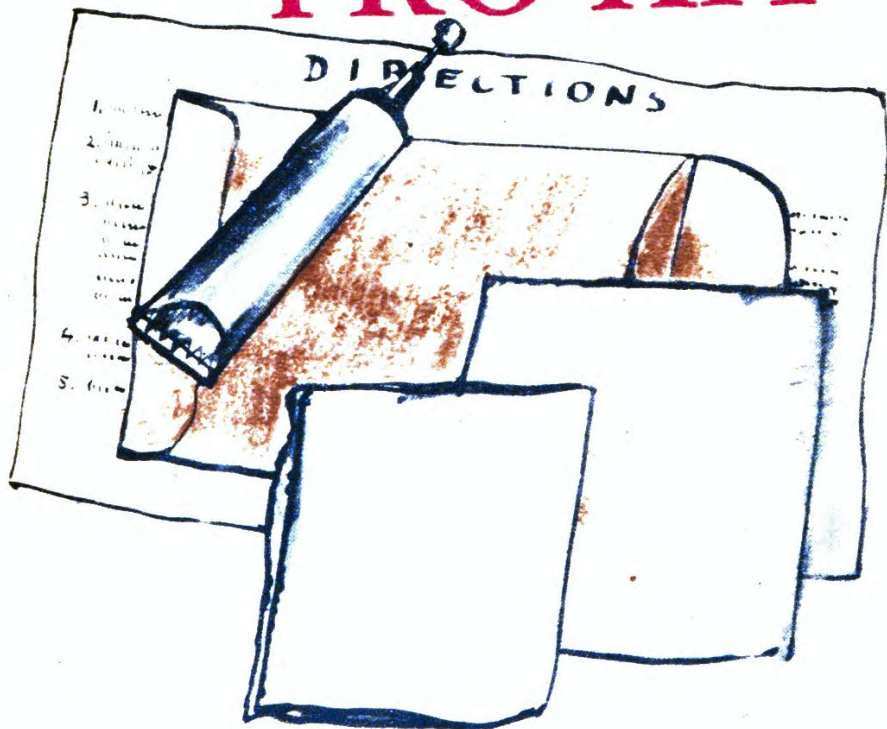

the rest of the kit anyway]

1

wash your
sex organs
thoroughly
with the soaped
cloth from the
kit...

[.. if water isn't handy, use

...get out your **PRO-KIT**

AND...

Digitized by Google

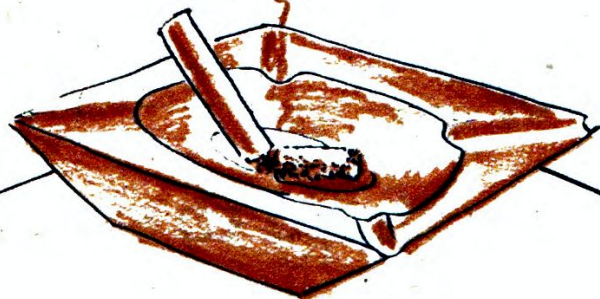

Original from
UNIVERSITY OF CALIFORNIA

URINATE

Immediately

After

Exposure

and be sure you have
a **PRO-KIT** with you

Don't be afraid to see your
First Sergeant or C. Q.
about it.

Always
use a rubber

You can
get it
through your
unit,
at the P. X.
or
a good drug store

Answers

Digitized by Google

Original from
UNIVERSITY OF CALIFORNIA

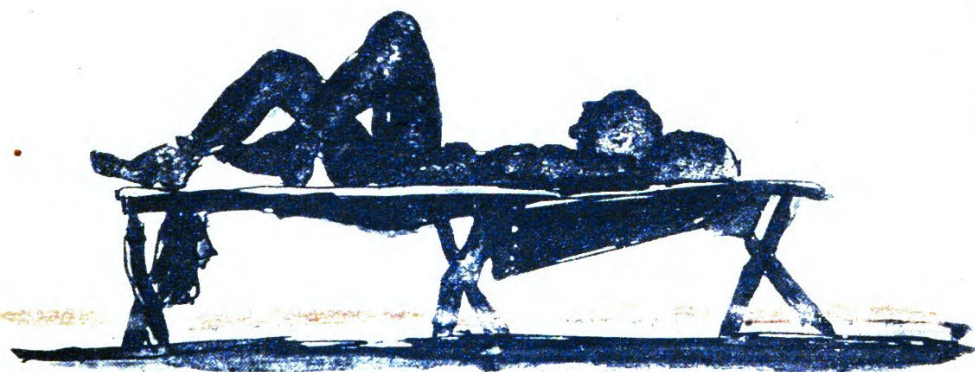

There are

Only

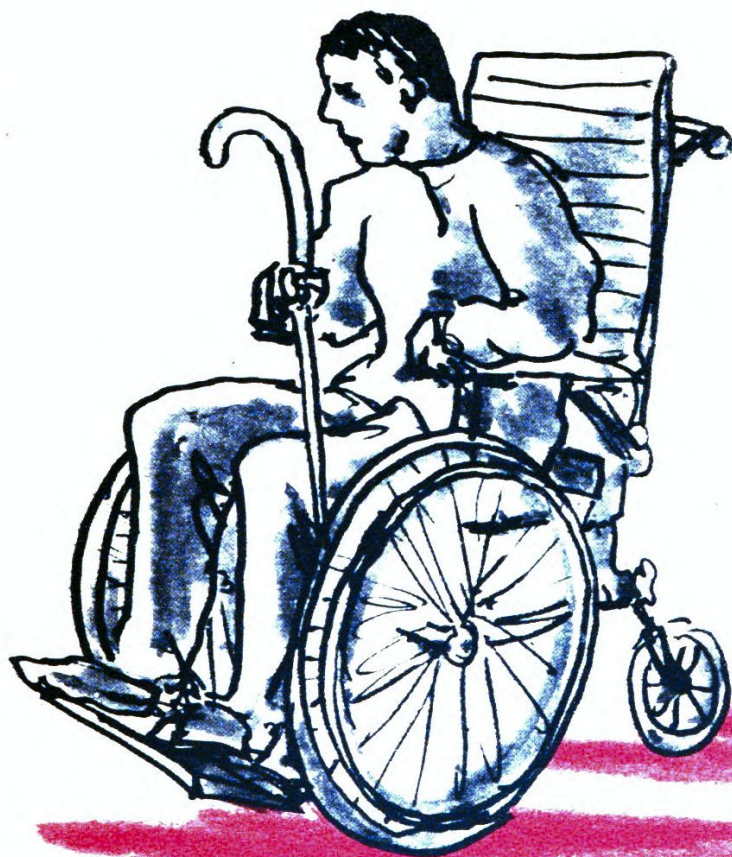

THEY ASK

“Well—the way
things are, what
can I do about it?”

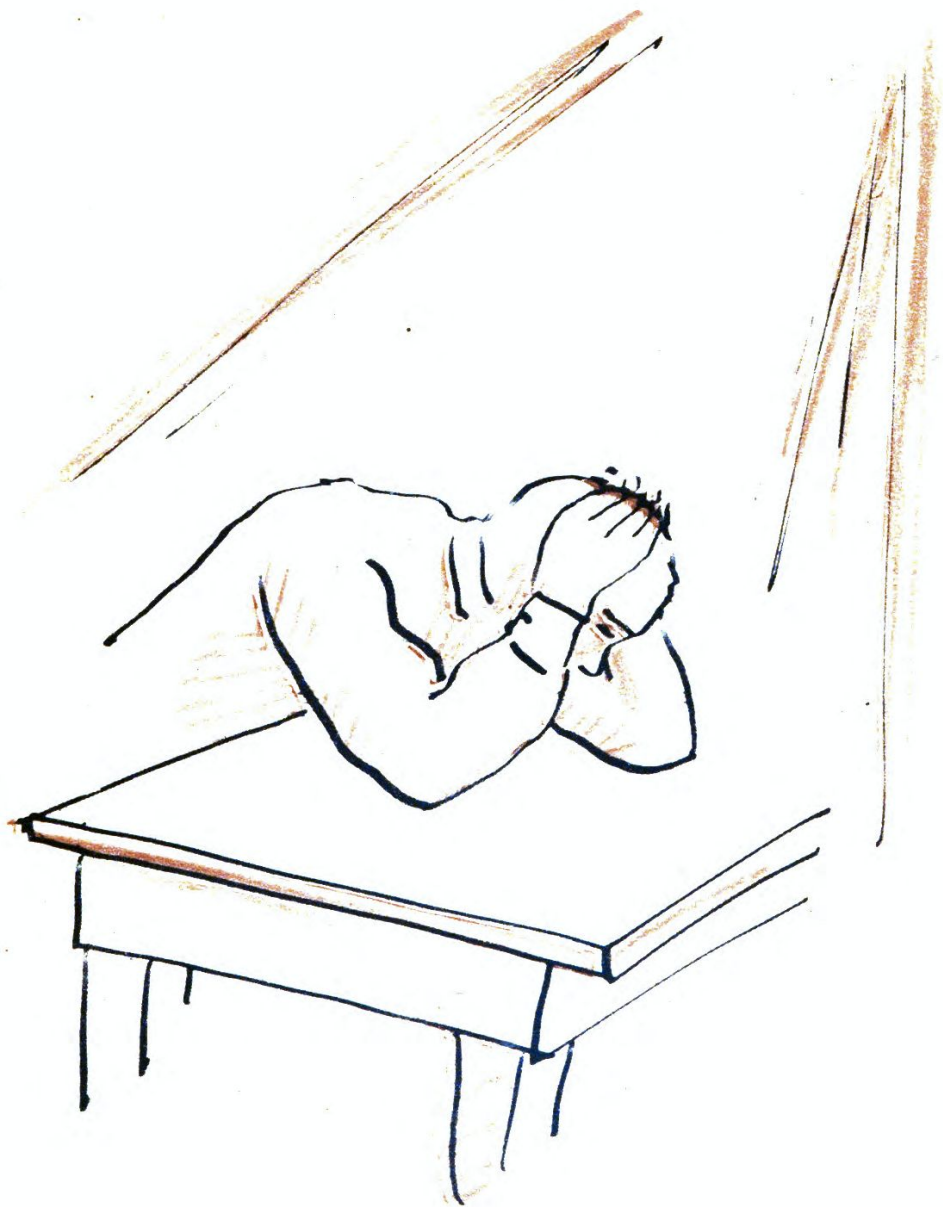

LOTS *of*
MEN, *if they*
know all this,
THINK IT
OVER
now & then

UNIVERSITY OF CALIFORNIA

Syphilis
can lead
to
insanity —

THEN

YOUR OWN PLANS:

V. D.

untreated

can give you
plenty of

TROUBLE

— *and that*
is O. K.

by the

ENEMY...

Digitized by Google

Original from
UNIVERSITY OF CALIFORNIA

FIRST

**YOUR ARMY'S
PLANS:**

*venereal
disease
can put
a man*

OFF THE TEAM

. . . a lot of plans

*if you pick up
a case of either
Syphilis or Gonorrhea*

YOU CAN

WRECK

And . . .

UNIVERSITY OF CALIFORNIA

It's
easy
to
get

V.D.

ALMOST ALWAYS
YOU

get it by

Sexual

Intercourse

when **THIS PART**

of the body
is exposed...

It is a hidden
thing

No girl is going to
tell you she has it

You can't ever be
SURE

Syphilis

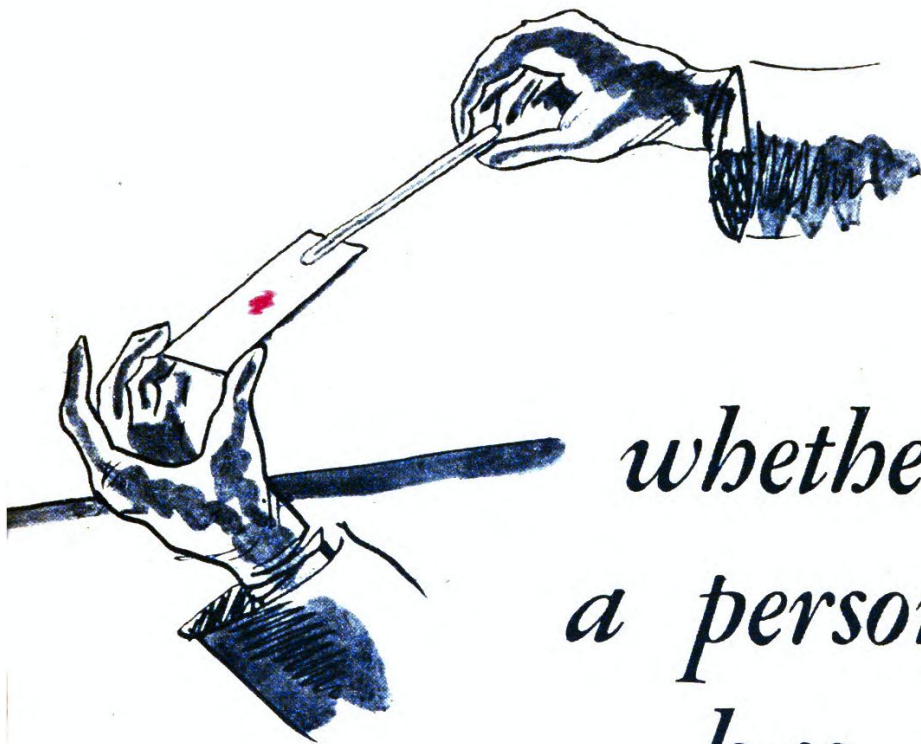

*the germ
under the microscope*

Gonorrhea

*the germ
under the microscope*

*whether
a person
has a*
**venereal
disease**

**EVEN your
DOCTOR
can't
tell —**

*without the
aid of
Laboratory tests —*

neither can you

Digitized by Google

Original from
UNIVERSITY OF CALIFORNIA

That's what
he **thought**

BUT

he could **not**
tell
at a
glance
and

if she had it or
NOT

and

HE

could tell
at
a
glance

sizing up a gal

Digitized by Google

Original from
UNIVERSITY OF CALIFORNIA

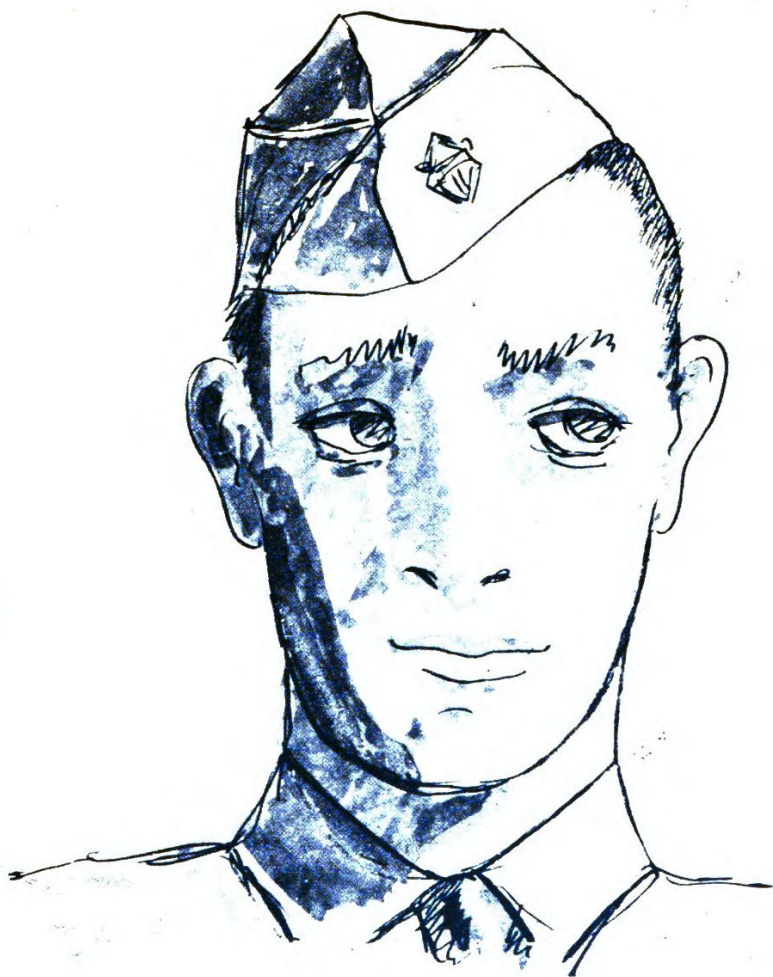

NOT

H I M

because he

was too

smart at

a nice guy like him

He

didn't

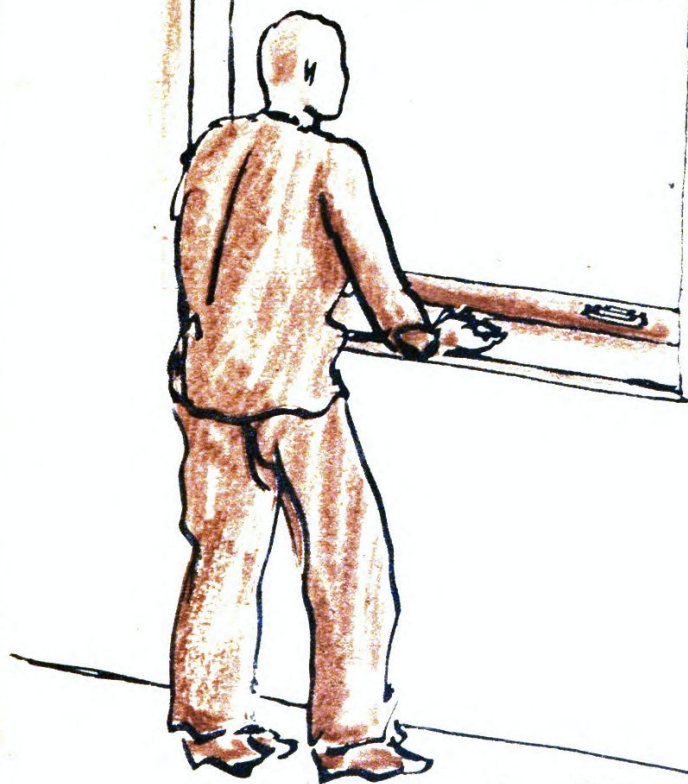

think it

could ever

happen

to him, either...

VD

...venereal disease.
